

Marin Local Agency Formation Commission

Regional Service Planning | Subdivision of the State of California

Schedule of Fees and Deposits

As Adopted on June 10, 2021

These are the policies of the Marin Local Agency Formation Commission (“Commission”) in setting and collecting fees along with associated deposits in administering the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 in Marin County. Amendments to this schedule shall require a majority vote of the Commission.

I. Authority

This schedule shall be administered in accordance with the allowances provided by the State of California under California Government Code Sections 56383 and 66014.

II. Policy Statements

The following policies direct the setting and collecting of Commission fees and deposits.

- 1) The fee schedule emphasizes “fixed” charges and represents reasonable cost estimates for processing generally routine proposals and requests based on a number of predetermined staff hours to complete.
- 2) Fixed fees are non-refundable and – while not typical – may be augmented by one or more deposits when additional time is needed beyond the predetermined staff hour allocation as determined by the Executive Officer.
- 3) The fee schedule includes a number of “at-cost” charges for processing non-routine proposals and requests when there is an inherent need to incorporate and address unique and pervasive local conditions.
- 4) At-cost charges require a refundable deposit set by the Executive Officer to cover an estimated number of staff hours specific to the proposal or request. Additional deposits may be required if the initial staff hour estimate proves insufficient.
- 5) The Commission shall provide periodic invoices to applicants with outstanding deposit balances showing the work performed and charges applied therein during the covered period.
- 6) Remaining deposit balances for completed or withdrawn proposals or requests shall be returned to the applicant within 30 days with closing invoices.
- 7) All fees required under this schedule shall be submitted in check and made payable to “Marin Local Agency Formation Commission.”
- 8) Proposals and requests subject to this fee schedule will be deemed incomplete until the appropriate fee has been received by the Commission.

- 9) All additional staff time required to process proposals or requests subject to this fee schedule beyond the coverage of the initial fixed fee or collected at-cost deposit will be billed based on the staff hourly rate plus a base administrative fee process where applicable.
- 10) All fees collected under this schedule cover a one-year processing period. Proposals or requests that remain incomplete beyond one year or have been denied “without prejudice” by the Commission may be resubmitted within one year of the date of adoption of the resolution terminating proceedings for an additional fee as provided in this schedule.
- 11) Applicants with proposals or requests subject to this fee schedule requiring outside consultants will be responsible for all direct costs therein and will be required to provide a dedicated deposit as determined by the Executive Officer.
- 12) The Executive Officer may stop work on any proposal or request subject to this fee schedule until receipt of a requested fee or deposit.
- 13) The Commission, upon majority vote, may reduce or waive fees, a service charge, or deposit for the following reasons:
 - Proposals or requests covered under this schedule involving overriding public benefit as determined by the Commission and payment would be detrimental to the public interest.
 - Renewed applications with current information that were not previously denied and for which prior processing remains relevant to the renewed application as determined by the Commission.

The Commission will leave to the discretion of the Executive Officer the ability to reduce an application for annexation into a district in cases where an Emergency Out of Service Agreement had been recently completed. The reduction in cost shall only be when time spent by staff is due to the duplicative nature of the two applications. Staff shall report to the Commission any fee reduction with justification at the next available meeting.

Fee reductions shall not be granted for the following reasons:

- Applications amended or denied.
- Misinformation provided in the application or by other public agencies, groups, or individuals.

Prior to consideration by the Commission, a request for a fee reduction shall be submitted in writing to the Marin LAFCo office. The request will be considered at the next regular meeting of the Commission or – and at the discretion of the Executive Officer – in step with consideration of the actual proposal or request so long as the appropriate fee amount is on file with the Marin LAFCo office.

When agencies bring applications to the Commission for its approval the LAFCo fees that pertain to staff time will be waived when that application is a result of a recommendation coming from a Municipal Service Review. The applicant will still be responsible for all third-party fees as part of the application process.

Each government agency that LAFCo oversees boundaries of will be given a one-time waiver of fees that pertain to staff time for an application, or group of applications, presented at the same time that brings into the jurisdiction parcels that have been served by the district. The applicant will still be responsible for all third-party fees as part of the application process.

- 14) The Commission shall biennially review this schedule to help maintain an appropriate level of cost-recovery as determined by the membership.
- 15) Research requests on any particular subject – including for purposes to inform a potential future application – will be provided at no cost for the first two hours. Any additional research time will be billed at the hourly rate plus administrative costs.
- 16) The Commission’s schedule of fees and related charges are detailed in Table One.

III. Direction to Applicants

Applicants are strongly encouraged to contact LAFCo staff to discuss a proposal or request and all related fees prior to submittal. Staff will provide any prospective applicant a written summary of all expected costs for a proposal or request at no charge.
