3. Approval of the Upper Ross Valley MSR and Corresponding Sphere of Influence Affirms and Workplan Additions.

Policy Analyst Seibel presented the documents included in the Agenda Packet and read the 2 amendments to the LAFCo workplan.

Commissioner Coler asked about Ross Valley Paramedic Authority (RVPA) edits. Policy Analyst Seibel confirmed that he had added information to the CSA 27 section. Policy Analyst Seibel and Executive Officer Fried also offered some clarifications on the differences between RVPA and CSA 27 within the MSR. Commissioner Coler asked that some language in the MSR be altered slightly for clarity but otherwise felt good about the RVPA edits added to the MSR.

Chair McEntee opened the public hearing. Hearing no additional public comments, Chair closed the public hearing.

4. Approval of Final Draft for the Municipal Service Review for Flood Zones 6 and 7

Executive Officer summarized for the Commission the public comments that had been received between the August and October meetings, noting that the draft was never dispersed to the Advisory Board, so public comment was reopened to give the public more time to comment. 3 written comments were received, and changes were made. He noted that some of the comments were outside of the scope of the MSR and therefore were not included.

Vice-Chair Murray commended giving the FZ 6 Advisory Board the opportunity to comment. Hearing no other questions from the Commission, Chair McEntee opened the public hearing.

Ken Dickinson spoke first, followed by Stuart Shepherd, Wayne Rayburn, and Marianne Nannestad. They all expressed concern with moving forward on transferring Flood Zone 6 to the City of San Rafael without involving the advisory board, as well as concern with the expiration of 3 of the advisory board member's terms and the lack of an annual advisory board meeting. They requested continuation of the report, so the advisory board could have time to meet and discuss the district transfer.

Discussion was had between Executive Officer Fried, the Commissioners - namely Chair McEntee and Commissioner Connolly, and the Public Commenters. It was clarified that approving the MSR does not approve the district transfer, but that there is language in the MSR that recommends transferring over the current advisory board to a Citizen's Advisory board within the City of San Rafael.

Vice-Chair Murray commented that he would like to ensure that the funds stay with the City of San Rafael/FZ 6 as part of the transfer. He also noted that the Meadows is only one section of the Flood Zone and would recommend potentially including other renters and citizens from the higher density areas in the Redwoods neighborhood.

Vice-Chair Murray asked the FZ 6 advisory board members present if, given the discussion that night, they would feel comfortable with LAFCo's approval of the MSR. After some discussion, it was confirmed that as long as the Advisory Board for Flood Zone 6 is involved in the transfer process and can weigh in before the transfer occurs, that approving the MSR would be fine.

Commissioner Coler recommended a sentence in the MSR memorializing the lapse of the Advisory Board Members' terms and highlighting their importance to the history of the district. Chair McEntee concurred.

Approved: M/S by Commissioners Coler and Murray to approve the MSR with the amendment giving the Executive Officer flexibility to add a sentence on the AB terms expiring.

Ayes: Commissioners McEntee, Murray, Kiouss, Coler, Loder, Arnold, and Connolly

Nays: None

Abstain: None

Motion approved unanimously.

## BUSINESS ITEMS

### 5. Approval of Payroll System

Executive Officer Fried explained that ADP has been problematic and difficult to work with, so he reached out to other LAFCOs and Special Districts to create a shortlist of payroll service companies. Although he received 4 good proposals, Paychex was the best in part due to cost savings because of their relationship with Bank of Marin. Executive Officer Fried asked to enter into an agreement with Paychex, authorization to inform ADP that LAFCo will no longer use their services, and authorization to approve transfer of money to cover payroll from the County account to Bank of Marin.

Commissioner Coler confirmed pricing for Paychex and confirmed that ADP is more expensive, and more cumbersome because it involves Munis. She also clarified what ultimately moving out of the County meant.

Executive Officer Fried responded that the goal is to keep money in the County account because it accrues interest but move money quarterly into Bank of Marin to cover payroll.

Chair McEntee opened the public comment, and hearing none, closed public comment.

Approved: M/S by Commissioners Kious and Coler to approve the transfer of payroll to Paychex along with staff recommendations.

Ayes: Commissioners McEntee, Murray, Kious, Coler, Loder, Connolly, and Arnold

Nays: None

Abstain: None

Motion approved unanimously
