

MARIN LOCAL AGENCY FORMATION COMMISSION

RESOLUTION NO. 24-07

RESOLUTION REAFFIRMING THE SPHERE OF INFLUENCE OF THE MARIN HEALTHCARE DISTRICT

WHEREAS upon determination and adoption of a sphere of influence, the Marin Local Agency Formation Commission is required to periodically review and update adopted spheres of influence for each city and special district not less than once every five years, as necessary, within Marin County under Government Code Section 56425 (g); and

WHEREAS the Executive Officer has conducted a review of the adopted sphere of influence of local government agencies providing multi-regional services, prepared a summary, *Multi-Regional Services Municipal Service Review*, including his recommendations thereon, the summary having been presented to and considered by this Commission; and

WHEREAS a public hearing by this Commission was held on the *Multi-Regional Services Municipal Service Review* and this Sphere of Influence reaffirmation and staff's recommendations contained in that report on the date and at the time noticed thereof, and at the hearing, this Commission heard and received all oral and written testimony, objections and evidence which were made, presented or filed, and all persons present were given an opportunity to hear and be heard with respect to the proposal and the Executive Officer's report.

NOW, THEREFORE, based upon the information contained in the Executive Officer's report, correspondence from affected agencies and information received during the public hearings, the Marin Local Agency Formation Commission **DOES HEREBY RESOLVE, DETERMINE AND ORDER** as follows:

Section 1. The sphere of influence of the Marin Healthcare District is hereby reaffirmed as shown on Exhibit B attached hereto and incorporated herein by reference and the Commission makes the written determinations pursuant to Government Code section 56425(e) as provided for in Exhibit A attached hereto and incorporated herein by reference. All of the District's currently active powers are listed in the Agency Profile section for the District within the *Multi-Regional Services Municipal Service Review*.

Section 2. Pursuant to Section 15061(b)(3) of the State CEQA Guidelines, the Commission finds that this review and reaffirming of the sphere of influence of the Marin Healthcare District is exempt from the provisions of the California Environmental Quality Act because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

Section 3. The Executive Officer is hereby directed to mail copies of this resolution to affected local government agencies in the Multi-Regional Services area.

EXHIBIT A

MARIN HEALTHCARE DISTRICT SPHERE OF INFLUENCE DETERMINATIONS

GOVERNMENT CODE SECTION 56425

- 1) The present and planned land uses in the area, including agricultural and open-space lands.

Present and planned land uses in the adopted sphere of influence are governed by the multiple municipal general plans, Marin Countywide Plan, and multiple community plans. While the District's boundary encompasses all of Marin County with the exception of the greater Novato Area and therein all applicable land uses within that area are also applicable to the District, the only land that is owned by the District within its current boundary carries the land use designation of Public Facilities.

- 2) The present and probable need for public facilities and services in the area.

The need for the Marin Healthcare District's current facilities and services included in the sphere of influence is expected to continue into the foreseeable future. The District, in collaboration with its corporate partners, provide critical services to residents throughout Marin County. A number of the services that the District offers are unique to solely Marin Healthcare District with no other healthcare providers in the area providing or planning to provide in the near-term the same unique services.

- 3) The present capacity of public facilities and adequacy of public services that the agency provides or is authorized to provide.

The operating departments and public facilities of the Marin Healthcare District are adequate to provide service to the District's currently established boundary and areas within its sphere of influence. The District has made significant efforts to work towards compliance with the State of California's seismic retrofit requirements and has shown a dedication to continue upgrade the District-owned facilities to meet the needs of the residents of Marin County for years to come.

- 4) The existence of any social or economic communities of interest in the area if the commission determines that they are relevant to the agency.

The Commission has determined that social and economic communities of interest between areas currently within the boundaries of the Marin Healthcare District and the area surrounding its jurisdiction are not relevant to the determination of the District's sphere of influence.

- 5) For an update of a sphere of influence for a city or special district that provides public facilities or services related to sewers, municipal and industrial water, or structural fire protection, that occurs on or after July 1, 2012, the present and probable need for those public facilities and services of any disadvantaged unincorporated communities within the existing sphere of influence.

The Marin Healthcare District does not provide any of the above-mentioned services.
